

WILDCAT FUNDRAISING CAMPAIGN

School Council Support for our Playground and Track

May 4, 2015

Dear Friends of Welborne,

Over the years, we have heard from many people who are pleased to support the work of our School/ Parent Council, but who are not necessarily interested in purchasing an item to do so .

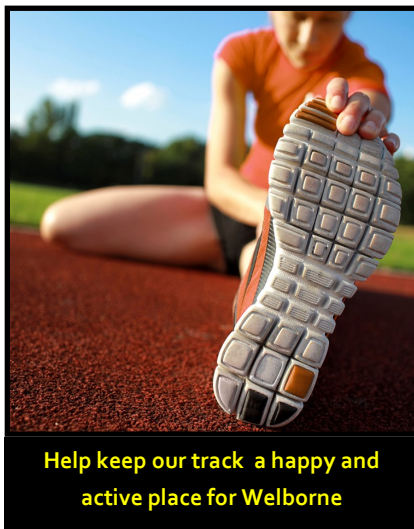

We are grateful for your support and that of people who have traditionally purchased items so that a percentage of the sale would come back to help our council purchase needed items for Welborne Avenue Public School. We also have listened to many families, and appreciate that many people would rather a larger part of their donation be put to use in our school.

We are pleased to announce our first Wildcat Playground and Track Fundraising Campaign, in support of the purchase of new kindergarten and primary yard equipment and our annual track maintenance and upgrades.

You can help provide our children with a safe, fun playground environment to encourage healthy, active lifestyles. And you don't need to feel guilty about not purchasing a pound of fudge or signing up for a magazine you will never read. The benefit you receive from a gift to the Wildcat campaign is unique: it's the pride in knowing your gift will help our kids, right here in the Welborne Community. Our goal is to help everyone share in the Wildcat spirit by supporting the healthy learning and well-being of all of our children.

Recess will be even more fun and active with these additions

Help keep our track a happy and active place for Welborne
