

Join in on the Conversation at this **FREE** Community Event!!!

Kingston Community Conversation about **Creating Innovative Kids**

“How do we, as a community, become more involved helping our children succeed in the digital world?”

Starting at 6pm parents enjoy a panel discussion in the auditorium while your children attend an evening focused on internet safety and uses of technology!

George Couros

George Couros is the Division Principal of Innovative Teaching and Learning for Parkland School Division. He is a leader in the area of innovation, his focus is always the development of leadership and people to do what is best for kids. His mix of research, personal stories, and practical ways to implement new learning helps others feel comfortable in taking risks in their own learning. You can learn more about George at his site georgecouros.ca.

Dr. Ann Marie Hill

Dr Ann Marie Hill is a Professor of Technological Education, Graduate Faculty, Queen's University. She is interested in the study of technology as it addresses a different pedagogical approaches and differentiated learning, as well as the implications for engagement in learning.

Erin Walker

Erin Walker is the Assistant to the Director of Education for ALCDSB. She is working in partnership with IBM to lead the Technology Embedded Learning Team as they embark on changing pedagogy and transforming teaching and learning across the district. Erin also leads the boards Catholic Leadership strategy and 21st Century Learning Commons initiative.

Dan Finn

Dan Finn is the Principal of Holy Name Catholic School and is a former Special Assignment of Technology for ALCDSB. He is an advocate for the integration of technology for both teaching and learning.

Nathan McCreedy

Nathan McCreedy has worked in the field of IT for 17 years. He currently is the Manager of Learning Technology Services with ALCDSB.

Aaron Bailey

Aaron Bailey works at the Regional Assessment and Resource Centre at Queen's University. Aaron has become an advocate for people who are struggling with disabilities by giving motivational speeches around the world to help students like himself that are currently struggling with the difficulties of having a learning disability or ADHD. www.facebook.com/abtalks twitter handle is @ABtalks1

5:30 Pizza, Veggies & Beverages will be provided..

6pm Children are invited to participate in a presentation by **Constable Carolyn Gauthier**. She will be talking about **Safe use of the Internet**.

After the presentation, several workshops will be offered. Children will rotate between workshops offered by Teacher Candidates from Queen's University, Richard Reeve, and Learning Technology Services Staff from ALCDSB.

All children are asked to bring their own charged device (BYOD) to fully participate in this evenings activities.

8:00 There will be a presentation from all the children that participate in the workshops!

**Childcare will be provided for anyone with small children. They will be watching "The Legoland Movie".*

There is no cost to participate in this community event.

This event is sponsored by;

**The Algonquin and Lakeshore
Catholic District School Board**

and
**Pro Grant from
The Ministry of Education**
